FROM SAN FRANCISCO.

SAN FRANCISCO, August 24 .- The steamer Oregon has arrived from northwestern ports of Mexico, bringing \$114,000 in treasure and two hundred and fifty packages of specimen ores from the mines of Sonora and Sinaloa. Various California mining companies engaged in developing the silver mines were in good spirits at their prospects.

Sandwich Island dates of July 25 are received. The news is unimportant. A number of foreign vessels had arrived at Honolulu during the first half of the present year, less by half than during the corresponding period of last year.

There was a great scarcity of laborers for the sugar plantations, and parties were earnestly urging the Government authorities to import coolies from Polynesia. The population of the Islands is decreasing more rapidly than at any former period. It is now estimated that they contain only 66,000 in-

habitants. The Arkansas Expedition.

CAMP MEETING CORRESPONDENCE. CAMP IN SHIPLEY'S WOODS,

Anne Arundel County, Md., August 25th. Dear Star: Since Sunday we have had the following additional arrivals of preachers: Revs. T. A. Morgan, South Baltimore Station; S. M. Dixon, Baltimore City Station; T. H. W. Monroe, East Washington; G. de la Matyre, East Genessee Conference; E. Richardson, Summerfield Circuit.

Yesterday the day was bright and beautiful, and the services were as follows: Prayer meeting at the altar at 8 o'clock, and preaching at 9 o'clock by Rev. J. H. Swope, from Daniel. 6th chapter, 10th verse. At 11 o'clock Rev. T. H. W. Monroe preached from Matthew, 22d chapter, 11th and 12th verses. Rev. H. McNemar preached at 3 o'clock from 2d Kings, 7th chap. ter, 1st verse; and was followed by Rev. R. Shreck with a warm appeal to the people to heed the word of God and seek salvation. At 7½ p. m. Rev. A. J. Porter preached from Mark. 11th chapter, 22d yerse: "Have faith in God;" and was followed by an exhortation from Rev. G. W. Hobbs, the result of which, with the previous labors, was the presentation of nearly a score of penitents at the altar for prayer, five or six of whom were converted.

The preaching throughout has been very good and pointed, the sermons of Sunday dee ving particular notice. I must notice particularly the sermon of Rev. John Thrush, of your city, on the parable of the sower, which was one of his most successful efforts, and was highly spoken of by all who heard it. burs between preaching services are all filled with prayer meetings either in the altar

Solomoir was taken before Justice Clayton, and denied the charge. His intended victim did not appear; but the young scamp was not to be let off without a lesson. The officers by their remarks inducing him to believe that, if prosecuted, the penalty would be of the most terrible character, Solomon appealed to the Justice, a flood of tears streaming down his black face, showing he was really scared. The Justice considered the case, commented upon its enormity, adding to the terror of the darkey Don Juan; but finally consented to dismiss the case on condition that Solomon shall give over such rakish practices and follow some useful employment.
